SIERRA NEVADA FIGURE SKATING CLUB

Fall 2011, Volume 11, Issue 2

President's Message

Great news to report...the web site is being updated and is ready to bring awareness of our CLUB to new heights! This new site will be especially important for surveys and in gathering names for support of up-coming projects. We thank Jen of *glyph*GRAPHICS STUDIO*, for her designs, ideas and guidance. Ken Tyler will field inquiries and will add any photos you might want to have on the site.

There will be Rink on the River this season, starting Thanksgiving week. We will have CLUB ICE and will announce the times to all Club members.

Another "Club" event will be participation in the Sparks Hometowne Christmas Parade on December 3rd. Finally, a perfect match of color(white and silver...as the theme is '25 years - a Silver Celebration'). This will be our Best Float ever and SNFSC is due to be the winner !

All Members (and enthusiasts) are invited to the next
