SIERRA NEVADA FIGURE SKATING CLUB

Summer 2011, Volume 11, Issue 2

President's Message

This has been quite a year for SNFSC. We have been placed on inactive status, but that didn't stop our club from being "active" in our community! We won 2nd place (should have been a 1st) for our Nevada Day Parade float! The airplane themed float was fantastic and our own Kevin Windisch made ICY come to life! Our Home Ice, Rink on the River, opened in November and once again was a great success. Thanks to Jeannine Lamar, we kept up with our meetings, having them at her house as well as having her take our minutes! She was invaluable in communications with our "status dealings"! I want to thank the club officers and everyone of you who has stood by us and has kept this club in their hearts!

Our goal for this year is to "redo" our web site by the time the Rink on the River opens in November. We want to be able to take surveys, have a booth set up, and perhaps have special times when the club can serve hot chocolate and cookies, to show we have a club here and need support for a future ice surface! With our web site activated...we can gather friends and future skaters to bring our dream of becoming an "active club" once again!
