SIERRA NEVADA FIGURE SKATING CLUB

Winter 2011-12, Volume 11, Issue 3

Great news to report...the web site is almost here! Just after the New Year we'll be unveiling the updated version. You will surely like it, but if you don't, tell us *now* what you would prefer to add or change. It *is* yours, so do speak up...

Last issue our President, Sherry Morrey, wrote that the next "Club event" would be participation in the Sparks Hometowne Christmas Parade. Her prediction: "This will be our best float ever and SNFSC is due to be the winner!" IT WAS and **WE WON !!** Congratulations to the decorators, the 'floaters', the marchers, ICY, and skater Jaclyn Johnson.

With about six weeks left of local ice at Rink on the River shall we have a party [skating] to celebrate National Skating Month? Any input to Catherine Smith.

Our goal is to raise awareness of skating and ice-related activities. The lack of ice makes this much more difficult. Virtually impossible? Since NNICE seems to be non-functional, we shall re-focus on Ice Focus, resuming our efforts on a smaller scale yet continuing to seek local enthusiasts to bring permanent ice facilities to the area again. Please bring a friend with you to the re-organization meeting:

6PM, Tuesday, JANUARY 17,2012 at
Morrey Distributing, 1850 E. Lincoln Way, Sparks

RSVP(Afternoons) 851-3241 OR 345-0300
